How does your School enroll in the Smart School Program?

Schools can enroll in the Smart School Program for 1 year or 3 years by paying a one-time enrollment fee. Through enrollment, schools become part of the Smart School community and gain access to the program's benefits, starting with the Freedom Offer.

Program benefits for School upon enrollment

Smart School Community

Your school becomes part of the Smart School community.

Jio Enrollment Credits

Credits that can be redeemed against eligible future Jio purchases or upgrades.

One-time Implementation Charges

School needs to pay **one-time ₹25,000 implementation charges** before Digiishala deployment. This covers data migration, staff role setup, master configuration, and administrator training.

Seamless Post-Program Continuity

After the program period: Digiishala Plus access remains available at a special rate of **₹250 / user / year** for continuous access across parents, teachers, staff, and principal.

Know how can your school use Jio enrollment credits

Credits can be redeemed against eligible new Jio purchases or upgrades made after enrollment, subject to the applicable minimum configuration

Eligible Jio product / service	Category	Minimum configuration	School Use Case
Connectivity – Internet Leased Line (ILL) / Business Internet Line (BIL)	CONNECTIVITY	10 Mbps	Dedicated symmetric enterprise bandwidth with 99.9% uptime SLA for seamless campus-wide connectivity.
Connectivity – Broadband	CONNECTIVITY	500 Mbps	Ultra-fast fiber broadband for high-density school digital labs, smart classrooms, and office operations.
Managed Wi-Fi (with Access Points)	INFRASTRUCTURE	5 APs	Enterprise-grade managed Wi-Fi coverage across corridors, auditoriums, staffrooms, and classrooms.
Cloud – JioAzure	CLOUD	No minimum purchase	Secure sovereign cloud infrastructure for school databases, management ERP hosting, and data backup.
Enterprise AICloud storage	CLOUD	10 TB	High-capacity secure cloud storage for classroom recordings, educational multimedia, and administrative archives.

Important 50% Maximum Discount Guideline

Note: Credits can provide a maximum discount of 50% of the applicable product/service MRP, subject to the available Credit balance and applicable product/service terms.

Illustrative example - benefits from Jio enrollment credits

A school receives ₹50,000 in Credits and purchases eligible Jio services after enrollment for 1 year

Eligible Purchases Breakdown — * Prices excluding GST

Product/service purchased	Quantity	Quoted Price* (₹)	50% discount using Credits (₹)
Broadband – 1 Gbps	1 Line	₹48,012	₹24,006
Managed Wi-Fi	5 APs	₹50,000	₹25,000
Enterprise AICloud storage (10 TB)	1 Unit (10 TB)	₹15,000	₹7,500
Total	–	**₹1,13,012**	**₹56,506**

* Actual savings will depend on the products/services purchased, applicable MRP, available Credit balance and applicable commercial terms.

CREDIT SETTLEMENT SUMMARY — 1 Year Allocation

Credits available:	₹50,000
Maximum eligible discount: (lower of Credits available and max. possible 50% discount)	₹50,000
School's total savings: Direct cash deduction applied on MRP of purchased services.	₹50,000
School pays (Net after credits): Calculation: ₹1,13,012 – ₹50,000 = ₹63,012	₹63,012

✓ Credits automatically applied via Jio Enterprise Billing portal.

Jio enrollment credits T&Cs

Guidelines and operational rules governing the allocation, validity, and redemption of Smart School Credits:

1. Credits are linked to the enrolled school and are non-transferable.
2. Credits shall become available within 45 days of successful enrollment and payment, and shall remain valid for the period specified for the selected tenure, from Digiishala activation date.
3. Credits may be redeemed only against eligible Jio products and services identified by Jio.
4. These Credits can be redeemed against a maximum discount of 50% on MRP against any of the eligible Jio services purchased by school. Apart from Credits value redemption, school pays balance amount.
5. Credits can be redeemed only for purchases or upgrades made after successful enrollment and activation of the Jio Smart School Program. It cannot be applied retrospectively to existing or previously purchased services.
6. Redemption of Credits shall be subject to the commercial terms applicable to the selected Jio product or service.
7. Credits may be redeemed partially across multiple eligible purchases during its validity period, subject to the available balance.
8. Credits
   a. cannot be exchanged for cash;
   b. cannot be used towards taxes, statutory levies or government charges;
   c. cannot be used to purchase new Credits or another Smart School enrollment.
9. These Credits cannot be clubbed with any other ongoing offer discount/cash back/promotion run by Jio.

Program T&C apply.
