Reliance Jio Infocomm Limited provides telecommunication services to customers across India. Reliance Jio Infocomm Limited was formerly known as Infotel Broadband Services Limited and changed its name to Reliance Jio Infocomm Limited in January 2013. The company was incorporated in 2007 and is based in Mumbai, India. Reliance Jio Infocomm Limited is a subsidiary of Reliance Industries Limited, India's largest private sector company.

Tariffs

To know your current tariff information, you may dial 199 from your Jio number, you can also SMS MY<space>PLAN to 199, log on to www.Jio.com or download MyJio App from our website www.Jio.com/GetMyJio or from [Google Playstore \(for Android\)](#) or [Apple Store \(for iPhone\)](#).

A tariff plan once offered shall be available for a minimum period of six months from the date of enrollment to that tariff plan. You are free to choose any other tariff plan, even during the said six months period. For post-paid tariff plans, all plan change requests shall be accepted and implemented from the next billing cycle and the same will be confirmed to you at the time of placing the request.

Mobile Number Portability

Mobile Number Portability allows a telecom service user to move from one operator to another operator irrespective of geographical area. It can also be availed when you move between telecom circles within the same service provider.

MNP features under these regulations are as follows:

- MNP facility is available nationally across all service operators, within as well as across service area.
- You can submit a porting request only after 90 days of the date of activation of your mobile connection. If your mobile number has already been ported once, the number can again be ported only after 90 days from the date of activation after the previous porting.
- To port out your mobile number, you should approach the recipient operator (the operator to whom you want to port your number). You may be required to pay porting charge up to a maximum of Rs.6.46/- to the recipient operator. You will need to complete the subscriber verification requirements and request for porting using a 'Unique Porting Code' (UPC).
- To obtain UPC, sms PORT<space><10digit mobile number> to '1900' from the mobile number you want to port. You will receive an auto generated 8 digits UPC from the MNP Service Provider.
- The UPC is valid for 4 days for all LSAs except for J&K, North East and Assam, LSAs for which UPC is valid for 30 days.
- If you are a post-paid customer making a porting request, you should clear all the bills issued prior to the date of porting request. You will also have to give an undertaking that you shall pay all dues till eventual porting. In event of non-payment, the ported mobile number will be liable to be disconnected by the recipient operator basis request by your previous operator, therefore you are advised to clear unbilled dues before porting.
- If you are a pre-paid customer, please note that the balance amount of talk time and entitlements, if any, at the time of porting, will lapse.
- You may experience "no service" period for up to 2 hours.
- You may withdraw your porting request within 24 hours of its submission to the recipient operator.

- After porting process is complete, you will have to insert the new SIM to access the service of the new service provider.

Your request for UPC can be denied on the following grounds:

- There are outstanding payments due from you by way of pending bill or bills issued as per the normal billing cycle but before the date of application for porting.
- The porting request has been made before the expiry of a period of ninety days from the date of activation of a new connection or previous date of porting, as applicable.
- The porting request has been made before the expiry of seven days from the date of SIM swap or replacement of the mobile number.
- A request for change of ownership of the mobile number is under process/reverification process is undergoing.
- The mobile number sought to be ported is sub-judice.
- The mobile number sought to be ported is under TAF COP reverification process.
- Porting of the mobile number has been prohibited by a Court of Law.
- There are subsisting contractual obligations in respect of which an exit clause has been provided in the subscriber agreement but you have not complied with such exit clause.
- Porting request is already in process for the same mobile number or a valid UPC is already issued against the number. You will be informed of the reason for not issuing UPC.

Your request for Porting can be denied on the following grounds:

- Invalid or incorrect UPC.
- In case of a corporate mobile number, the porting request is not accompanied by prescribed authorization letter duly signed and stamped by the authorized signatory of the subscriber. Or the letter request for porting of more than 100 number.

Value Added Services (VAS)

No value added service shall be provided to you without your explicit consent. If there are any value added services that are provided to you free as part of a trial or a free look period, the same shall not be charged post the free look period without your explicit consent. Three days before the renewal of a value added service you are subscribed to, you will receive an SMS confirming the due date of renewal of the said service along with charges and a toll free telephone number that will allow you to unsubscribe from the respective service. To unsubscribe from any value added service, you can register your request by dialing 155223 (toll free). You can also send 'STOP' to 155223 (toll free) and you will get a list of all value added services that are currently active in your account and you can deactivate the services by confirming your choice.

Telecom Commercial Communication Customer Preference Regulation

To stop receiving any commercial communications (call/SMS), you can dial or send SMS to 1909 (toll free) and register in either of the two categories:

- Fully Blocked Category- To stop all commercial calls/SMS.
 - Partially Blocked Category- To stop all commercial calls/SMS except SMS from one of the opted preferences
- I. For registering option using SMS, for 'Fully Blocked Category', SMS "FULLY BLOCK" and send it to 1909.
 - II. For 'Partially Blocked Category', SMS 'BLOCK' with one or multiple options from the list of eight preference categories

For example: To block calls/messages relating to only Health products, SMS “ STOP 4” to 1909. Similarly, for blocking messages related to Real Estate and Education, send SMS “ STOP 2, 3” to 1909.

The TRAI is in the process of implementing Digital Consent for consent given by you to any entities. Please ensure to validate your digital consent as and when requested for.

National Customer Preference Register

National Customer Preference Register(NCPR) is a national data base containing a list of the telephone numbers of all subscribers who have registered their preferences regarding receipt of commercial communications maintained by TRAI. You can register a complaint within 7 days of the Unsolicited Commercial Communication (UCC) by calling 1909 or by forwarding such communication to 1909 along with the telephone number or header, as the case may be, and the date of receipt of the unsolicited commercial communication in the following format:-

“The unsolicited commercial communication, XXXXXXXXXX, dd/mm/yy” Where XXXXXXXXXX – is the telephone number or header of the SMS, as the case may be, from which the unsolicited commercial communication has originated.

You can also register a complaint on My Jio app or our website www.Jio.com or email us on our Unsolicited Commercial Communication email address: 1909@Jio.com. We will seek a response from the originating operator and inform you of the action taken within 7 days. All telemarketers, before starting any tele- marketing activity have to register with on the designated DLT portal of at least one of the Telecom Service Providers . Telecom resources used for Telemarketing activity shall have a specific number range allocated of the type 140 XXX XXXX. Going forward, all service and transactional calls will be made from a specific number range starting with 1600 xx xxxx.

No telemarketing (Voice Call or SMS) is permitted between 9.00 PM to 10.00 AM. We shall not send any commercial communication, either directly or by mixing such communication with service communication, through voice call or SMS or Unstructured Supplementary Service Device (USSD) to you if your number is registered in the National Customer Preference Register.

We'd like you to have a good experience each and every time you do business with us. If you've faced any inconvenience or are displeased with any of our services, whatever the reason is, you can get in touch with us and we'll try to resolve it as soon as possible.
